THE APOSTLE PAUL, STRIVING FOR PEACE:

Why The Wheel?

Two years after his conversion, twenty-two year old Dawson Trotman who later founded The Navigators sought to establish teen-aged boys in the Christian life. He had compared the Christian life to a three-legged stool. But life in Christ was too exciting and dynamic to live sitting down, so he asked God for another idea.

God gave him The Wheel illustration. The hub represents Christ with four equal spokes connecting into the source of life and power. Dawson believed this was a graphic model of the kind of disciples Christ wanted.

In the early 1930s the Wheel became a major emphasis in Dawson's ministry among sailors. And ever since, it has helped countless believers understand what they are called to do as disciples of Christ. May it also benefit you.

This is a sample of Dawson Trotman's Wheel illustration tract from the 1930s.

Rom 10:10 For man believes with his heart and so is justified, and he confesses with his lips and so is saved.
