

# ESTABLISHING A NEW LIFE IN RICH SOIL

## INITIAL FOLLOW UP OF A NEW OR UNDISCIPLINED BELIEVER

**Birth** (John 3:3) → **Child** (Gal 3:26) → **Rooted** (Col. 2:6,7) → **Grow** (I Peter 2:2) → **Reproduce** (II Tim 2:2)

Every believer is located somewhere on the diamond. Where are you? Where is the person you are helping? As a disciplemaker, our primary focus in follow up is to establish and equip believers to live fruitful and spiritually reproductive lives in Christ. Rarely will one person help a new believer round all the bases to full maturity and reproduction. More common is that you play a significant role at one or two phases in the believer's development and God uses others to help him at other times along the way.
