

# One in a Hundred

*Stuart Briscoe*

## I. Introduction.

A. Text: Judges 7.

B. One is a minority if he goes about life in God's way.

## II. Those in Gideon's army that were afraid were told to go because God works the miraculous.

A. God promised the victory and demonstrated by a miracle that he was going to do it, so it was not unreasonable to tell those afraid to go home.

B. If you believe in the promises of God, you are more than a conqueror. The church of Jesus is fraught with fear, however. We should have an expectation that God is going to do the miraculous.

## III. Those that drunk water without care for possible danger were sent home.

A. Many Christians do not get anywhere in life because they do not anticipate evil.

B. Their main interest is in satisfying themselves.

C. God only shook the world through small groups.

D. God calls us to keep our eyes on him and trust him in faith. We are to absolutely and totally depend on him in the face of impossible odds.
