

Corporate Planning Conference

Jack Mayhall

I. Introduction.

A. Text: Isaiah 6

II. Navigator ministry objectives.

A. Evaluation.

1. New disciples.

2. Long range goals.

3. Corporate objectives should be different than local objectives.

B. New corporate supporting objectives (caused by growth).

III. Major problem areas the ministry currently faces.

A. Pride.

B. Poor stewardship over money and influence.

C. Conformity to the world. (Romans 12:1-2)

Application questions:

1. Why are objectives important in ministry?

2. What problems do you see in your own ministry when you evaluate?

3. Why is it important to be aware of overall ministry problems as a worker at a lower level? Explain.
