

Romans 6
Jack Mayhall

I. Introduction.

A. Justification is the means that enables a person to be sanctified. Sanctification is worked out in us throughout a lifetime. (2 Timothy 3:16)

B. The keywords are know and destroy.

1. We have to know the fact of Jesus' death and how it applies to our lives.

2. Our old nature has not been completely annihilated, but it has been rendered powerless. (Hebrews 2:14)

II. We must consider ourselves to be alive to Christ and dead to sin by faith.

III. We must yield our lives throughout our lifetime. (Romans 12:1-2; Luke 14:25)

A. Jesus Christ will have no rival. We should quit what we do not want to do by the Holy Spirit.

B. Jesus Christ will have no refusal. (Mark 1:19; Luke 22:41-42)

C. Jesus Christ will have no retreat. (John 6:66; 2 Timothy 4:7; Mark 10:29-30)

Application questions:

1. How do we live a different life towards sin with the power of Jesus?

2. What are you holding back from Jesus in your life right now?

3. What do you need to do to get right with Jesus again?
