

# How to Work with a Man

*Jack Mayhall*

## I. Introduction.

A. A person needs specific objectives to help a person be a disciple.

## II. Things a disciple has in his life.

A. Lordship.

B. Prayer.

C. The Word (application, authority, memory, meditation, reading, hunger).

D. Evangelism and follow-up (the gospel, testimony, fruitfulness).

E. Consistency and obedience (discipline, faithfulness, spiritual maturity).

## III. How we can accomplish these objectives in a disciple's life.

A. Our pacesetting regarding the will.

B. Sharing Scriptures on each subject.

C. Give assignments in the Word for those subjects.

D. Use illustrations.

E. Listen to sermons together.

F. Use tools such as pamphlets.

G. Expose them to evangelism.

## IV. The importance of the Word of God summarizing Psalm 119.

### Application questions:

1. How would you prioritize the things a disciple needs to learn?

---

---

2. What are some creative ways that weren't listed that you can get a disciple learning the basics?

---

---

3. Which methods for accomplishing the discipleship objectives do you think are best? Explain.

---

---
