

# What was Dawson Trotman's Magic

*Lorne Sanny*

## I. Introduction.

- A. Trotman was many things - he had a quick mind and many abilities.
- B. His "magic" bowls down to his belief in God - he took God seriously.

## II. Trotman believed God.

- A. One of the evidences of this is prayer.
  - 2. God purposes, therefore He promises, therefore we pray.
  - 3. A praying person is not a lazy person.
- B. Trotman always ministered where he was.
  - 1. This made for a lot of trial and error.
  - 2. Life was an adventure.
- C. We are to imitate the faith of leaders, not imitate all of their directions. (Hebrews 13:7)
- D. Methods and objectives can be changed, but belief in God must stay the same.
- E. The battle takes place in prayer.

## Application questions.

1. How does the speaker chiefly characterize the speaker?

---

---

2. What are you believing God for today? What can you believe Him for?

---

---

3. What are you praying for today? List three things you can commit to prayer for on a regular basis and journal about these things so as to record your journey with God and position yourself in a place to see Him work.
