If we need proof of the tongue's impact, we need look no further than our own lives and the hurts and wounds our callous speech has caused. The Bible tells us that our mouths are to be fountains of life, but our day-to-day interactions prove otherwise. So how do we address our hearts as well as our words? Carole Mayhall helps us get past the surface and into the deep places of our heart and beliefs. With simple illustrations from her own life and practical guidance from the Scriptures, Carole helps you place a filter of kindness in your mind and your words.

"LORD, SAVE ME!"

Like the Apostle Peter, we often start to drown when life storms around us, causing our faith and trust in God to waver. A job lost, a friendship damaged, a family member ill - these things take our focus off God and turn our attention to circumstances that rage out of control. Yet like Peter, we can call out to Jesus for help, asking Him to give us wisdom, trust, and peace.

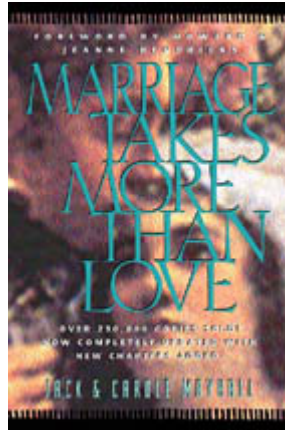

In *Help Lord, I'm Sinking* Carole Mayhall examines some of the lessons she learned in the midst of her sister's diagnosis, illness, and death from lymphatic leukemia. Compiled from three of Carole's previous books (*Lord, Teach Me Wisdom*; *Lord of My Rocking Boat*; and *Filled to Overflowing*), this book teaches how to seek and apply God's wisdom in your life, the importance of being thankful in every situation, and what it means to trust God.

If you want to be a godly woman who is "clothed with strength and dignity," this book chronicles the path of seeking and finding God and His joy in every circumstance of life.

WHAT DOES IT TAKE TO MAKE A MARRIAGE WORK?

Marriage takes more than love. It sounds straightforward and simple, but what more exactly do you need? In *Marriage Takes More Than Love*, Jack and Carole Mayhall share a multitude of things they've found that are vital to a good marriage—a solid foundation in God, open and honest communication, a clear definition of roles and responsibilities, exciting sex, and more.

The difference between smooth sailing and shipwrecks in marriage lies in what couples do during rough weather. All marriages have strengths and weaknesses. All marriages are either dynamic or deteriorating. The husband-wife combo must either progress or perish.

A strong marriage is built by making good choices. In a his-and-hers style, the Mayhalls show readers how to make the kind of choices in marriage that look out for the best interests of all three parties involved—you, your spouse, and God.

Ordinary People - That's What Most Of Us Are

We're just people with lives full of routines and responsibilities, to-do lists, and daily chores. Often the demands of everyday life leave us tired and frustrated, sometimes hoping for remarkable revelations from God to remind us of His presence.

But God doesn't often do things that way, preferring instead to meet us where we are, in the commonplace, ordinary moments of life. In *When God Whispers*, Carole Mayhall has captured some of these special moments. Each reflection in this heartwarming collection is grounded in a particular Scripture verse, delivered in Carole's unique voice, and fleshed out with her personal experience.

Wonderful as a devotional guide, this book makes Scripture come alive in a personal, emotional, here-and-now way.
